EARN YOUR CNA CERTIFICATION

The program includes two weeks of CNA training, life skills training, hands-on clinical experience, and job placement assistance.

SIGN UP FOR OUR TWO WEEK COURSE

The CNA program is a 96 clock-hour, basic course for the professional Long-Term Care Aide in Iowa. This course is led, and instructed by a Registered Nurse who has an active license. The course focuses on training students to be able to care for residents in Long-Term Care. This course is offered in three schedules: Weekday, Evening, and Weekend.

WHY CHOOSE US?

- ➔ Your success is our priority. We want you to become the best healthcare professional possible.
- ➔ Our instructors and staff are dedicated to providing you with the in-demand, hands-on education employers expect so that you may thrive in your profession.
- ➔ Our students are respected as some of the most qualified professionals in their fields, and are often employed at preferred hospitals, clinics and facilities.
- ➔ We provide our students with hands-on laboratory training designed to simulate the environment of a patient's room.
